SRP,

Just purchased a lifetime membership.

For once I am able to afford it.

Though it is admitted cheap for such a remarkable and important social club, I am as well.

Best regards and hope to see you soon...I'll be moving back to Carbondale shortly.

How about I treat you for once? Last time I went to the foliage I got covid and I've been fucked up ever since.

Steak sounds nice.

I'm moving to 46 Canaan st with Kathy and Selene, my daughter.

I'll be moved in hopefully by February.

See you soon, keep the teapot warm.
